## GRANITE FALLS PARKS

**Memorial Park** - 95 acre park featuring a large open-air pavilion, paved bike and walking trails, camping, picnicking, boating, paddling and fishing. Features a 4 billion year old granite outcrop!

**Rice Park** - Picnic grounds with songbirds and friendly resident mallards. Fishing along the shore and disc golfing.

**Sorlien Park and dam** - Features a scenic overlook of the Granite Falls dam. Easy canoe access within walking distance. View the pelicans fishing in the river!

**Lende Plaza/Footbridge** - Ideal starting point for walking downtown. Enjoy a walk over the suspension bridge built in 1935.

**Upper Sioux Agency State Park** - Over 1200 acres with camping, interpretive center, canoeing, boating and fishing, horseback riding & camp, hiking and more! There are over 19 miles of trails. Located just 7 miles southeast of Granite Falls on MN Hwy. 67.

**Blue Devil Valley Scientific & Natural Area** - Bird and wildlife watching, hiking, and photography. Listen for the rustle of leaves at the base of the outcroppings, which may reveal a skink foraging for insects.  
**Note:** no maintained trails or recreational facilities.
